Did you know...

That New Ross has a Trails Society that is currently aiming to develop a network of trails in the New Ross area that appeal to a wide variety of user types, and are being developed for the health and wellness of every user? One of the newer trails is **Popner Hill Trail** which was part of the Old Annapolis Trail. This trail was the first attempt to connect Halifax and Annapolis Royal. Work began in 1784 but it was never completed. (https://en.wikipedia.org/wiki/Old_Annapolis_Road,_Nova_Scotia).

This is a combination of woodland trail and tree-lot road. It is 2.5km uphill on the way up to the ridge, and downhill on the way back. At the ridge you have a wonderful view of the village of New Ross, Porcupine Hill, and distant views of the ocean. It is great for hiking, biking, horseback and can be accessed by parking across from Hughes Diesel (134 New Russell Rd.), crossing through Hughes Diesel workyard, where you'll reach a connector path to the trail. Popner Hill Trail, which can be used for walking, hiking, snowshoeing, cross-country skiing and also enjoy fresh air on horseback.

If you have some ideas for a Trail Plan, we'd love to hear about them or to learn more please contact: (902) 689-2004, or visit: www.facebook.com/newrosstrailssociety.

In Memory

In Memory of Martin Keddy

It is with sincere thank you to everyone for phone calls, cards, foods and donations in memory of Martin.

In this past year during his journey with dementia, Martin had great enjoyment looking at pictures of his children and grandchildren. His passion for being a woodsman and Christmas tree grower will be forever in our hearts. Martin was an honest, kind, and good man known fondly by so many. His smile is so greatly missed. Thank you everyone for your caring with Martin's passing. All has been very much appreciated.

Bands Of Gold

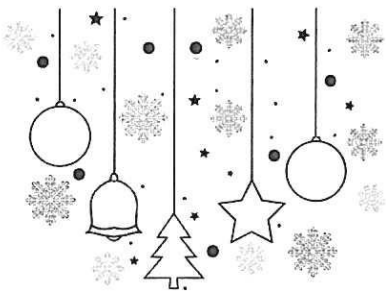

A precious band of gold was placed
Some fifty years ago
Upon two hearts of tender years
Who vowed their love would grow.
The gold was not within the ring,
Nor in their faces fair,
It wasn't in their youth or charm,
But in the love they shared.
The gold was there for them to spend
When silver coins were rare,
It didn't buy them more to have,
But taught them how to share.
They spent it on a loving look,
On patience, kindness, trust,
They spent it on the kinds of things
That cannot wilt or rust.
And the wonder of this band of gold,
If you can comprehend,
Each time they used their gift of love,
There was that much more to spend.
It bought them trust,
It bought them hope,
A tender hand to hold.
It bought a blessed and loving thing,
A marriage carved in gold.

We still need to raise the remaining funds to make this all happen!

Thank you to those who have already given and to those who have yet to, please be reminded that what you donate is tax deductible.

I would like to thank all those who signed the petition that had circulated throughout the community in support of repaving the Lake Ramsay Road. Also, a big thank you to the staff at New Ross Home Hardware and Russell's Service Station for their co-operation in obtaining many signatures.

The petition has been received by Premier Tim Houston, Minister Kim Masland, Minister of Public Works and Danielle Barkhouse, MLA Chester-St.Margarets.

I received a standard letter of reply (copy below) from Mitchell Conrad, but no commitment as to when we can expect repaving.

The potholes and broken pavement seem to not get much attention as mentioned. It appears much more pressure is required to get results.

Thanks,

Dear Brian,

Thank you for your letter dated August 9, 2022, to Premier Tim Houston regarding the condition of Lake Ramsay Road and attached petition. As Area Manager for Lunenburg/Queens, the Premier has requested that I reply on his behalf.

The Department of Public Works (DPW) manages 23,000 kilometres of roads and 4,100 bridges, repaving priorities are evaluated and ranked on a continuous basis considering a number of factors. DPW is aware of the condition of Lake Ramsay Road and will make every effort to maintain the road with patching and routine maintenance activities, until such time that this road is repaved. We are currently evaluating candidates for future highway improvements, and I can assure you that we will consider Lake Ramsay Road as a part of this process.

If you have any questions or concerns, please contact me at mitchell.conrad@novascotia.ca or 902-527-5398.

Sincerely,

Did you know...

That the monument beside the Legion is called a cenotaph? A cenotaph is a monument erected in honour of a person or group of people whose remains are elsewhere, especially people who died in a war.

But did you know that the original cenotaph was not located beside the Legion but instead it stood at the Cross next to R. Basil Elliott's store? Where the Home Hardware is today.

The base stone was placed at the crossroads in August of 1917. It was the first monument to be erected in Nova Scotia to honour ex-soldiers who settled in New Ross as well as those who served in World War I. The finished or polished stones and crown were placed on the base in the fall of 1918. Then in 1959 when Highway 12 was being re-built the cenotaph was relocated to its current location next to the Legion on the north side of the Forties Road about 200m west from Highway 12.

The likeness of a soldier on a stone column was placed atop the monument in the 1990s. In October 2017 newly added insignia and dedications has made the cenotaph contemporary.
