What is the New Ross Family Resource Centre?

Here at the New Ross Family Resource Centre, we are here to help our community. Whether you need help filling out forms, applying for grants, need something photocopied, or papers printed- we are here. We are currently funded through the Department of Community Services to provide parents with resources and teach them skills to help them be the best parents they can be. Whether it is teaching some budget-friendly meals, snacks you know your kids will eat, how to control your frustration when you're feeling overstimulated, helping establish routines to help your day flow, or simply being a listening ear to tell you you're not crazy for thinking parenting is hard. We are actively searching for grants to be able to provide for our 55+ population, and some fun, recreational activities! We are a non-profit which means all the money we make goes back into providing services for our community!

If you have any ideas on parenting programs, or other things you would like to see take place please let us know! We will do our best to make it happen.

With Thanks

Thank You

Glen V. Pye

April 14,1956-August 4,2023

Losing Glen has been a very painful experience, but with the love and support of our family, friends and community, it has helped ease the pain. We were so blessed to have his love in our lives for so many years, which we will treasure forever.

We would like to thank all those who visited and helped out after Glen’s cancer diagnosis, it sure did brighten his days.

Thank you to all who attended or helped out with Glen’s celebration of life. Seeing the legion overflowing, just shows how many lives he’s touched and just how incredible of a person he was. It sure made our hearts very full.

To Crystal, thank you for organizing everything and delivering such a beautiful eulogy and slideshow. To Bev, thanks for the beautiful heart flower arrangement, and to Alva, for the kind words.

Thanks To the Legion, for the use of the hall and to the Christ Church Guild for the lovely lunch.

Thanks so much for the cards, hugs, kind words and donations.

Thanks to his doctors, the Palliative care team and the VON, to White Family Funeral Home, for the cremation.

A big thanks to the staff of The Valley Hospice, for all the love and support shown to Glen and our family during his final days. It was beyond anything we would have expected.

May we keep his memory alive by loving others, doing good for those around us and living life to the fullest.

Janice, Janelle, Tyler & family

The family of Sheila Dorey would like to extend a special thank you to family, friends and neighbours for their calls and visits while Sheila was recuperating from her fall.

All calls of support, cards of condolences during and following her passing, as well as foods brought to the house were so appreciated. Thank you to everyone for memorial donations given in Sheila's memory.

Sheila lived life loud. She loved every moment and cherished her family. She loved going on adventures and travelling with her beloved husband and daughter. Her favourite passions were 'life at the cabin' and 'pulling in a nice fish'. She never missed a campfire at the lake during a full moon. Her life was simple, but life was sweet.

Thankyou to Dr. Michael Wadden and staff at Valley Regional Hospital. To the Paramedics and Chester

RCMP during the time of her injury and her passing.

Special Thank you to Pastor Rick Small for his kindness, support and officiating Sheila's service.

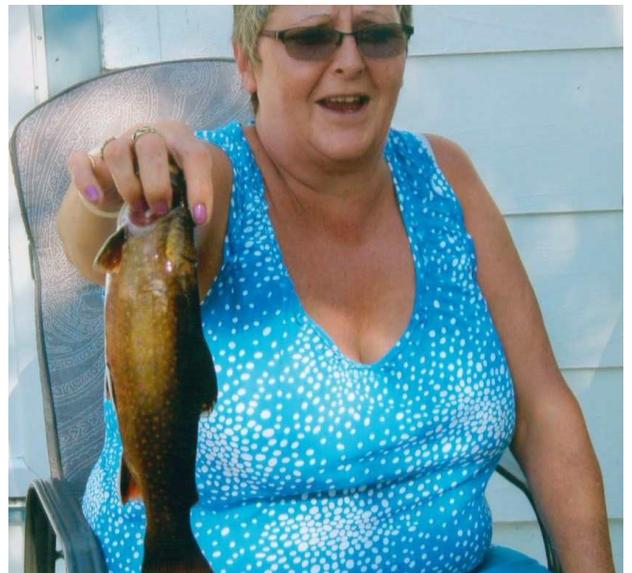

Thankyou to staff of White's Funeral Home for their guidance and service. It meant so much to have Sheila's favourite tunes played, she would have loved it.

A sincere thankyou to the pallbearers; to Francis and Mary-Lou for the beautiful words spoken at Sheila's service.

Special thanks to Mom for having a reception following the service. We also would like to thank our family for all they have done for us. Special thanks to Roy and Charlotte for being such special friends and neighbours; as well as to Dana Veinot for his guidance and friendship.

Every one of you are so greatly appreciated. Sheila was the 'apple of my eye' and is so missed by us all.

~ David, Skyla and Francis

Community Spotlight

New Ross, as many know, has a strong history in tug of war. Many men that pulled tug of war years ago still have the pride today as they did back then to be wearing the suede coat and representing New Ross. All one has to do is ask someone about tug of war and you'll see the passion come to life. Either they pulled or they grew up watching someone pull. It has been a life long tradition here in New Ross. Tug of war has made memories that people hold near and dear forever. Anyone that has been involved in tug of war, when they hear John Denver's song 'Thank God I'm a Country Boy' it takes them back to a

certain time or place, a special memory and we all have come to know that as the "tug of war song".

So when the request went out for any ladies interested in starting the first ever New Ross women's team who would have thought that more than 10 would show up and become committed to it? July 12th is where it all began when we all took up the rope for the first time and learned that it was harder than it looked. But right from day one there was something special happening! Practices became 3 times a week and friendships started and memories began. When the ladies were asked what some of them remember the most: "Heels down, tits up! God damnnitttt! Feel the burn! Come on ladies lean back Hard! Dig those heels in! Toes up! Turn and burn babbbyyyy! LET'S GO GIRLS!! Eyes on your coach! HOW WE FEELIN GIRLS??"

Wayne Mackinnon became our coach and his excitement the first time we pulled at the New Ross Fairgrounds for the Fundraiser for Logan and Lauren was contagious. We will always remember his "pep talk" and him saying "I have my bling on girls"- shiny gum wrappers wrapped around his fingers so we could 'see' him better and Ally telling him to run his

skinny ass up that line! We had SO many laughs and then Wayne would say "Okay girls it's time to get serious!"

Practices were always an experience in themselves. Ally was often yelling "you

guys good?” or “how ya feelin?” “what are you doing up there I can feel everything back here!” And there was always the banter between Ally aka ‘the ole mule’ and Jesse aka ‘Pumba’ which cracked us up and then often Jesse would go sit with the children and say “come on now let’s watch mummies pull”. The men’s team practiced the same nights as the women and we’d hear “You guys are a bunch of animals!” and once someone watching commented “The girls are better than the guys, they are all on the right angle” And we did work as a team! I remember one practice just before doing a scratch pull with the guys and everyone just standing around the ring and the kids running around and playing together and I paused to take in that moment and think this is more than just a team, this has become a family. This is true Community pride. This is amazing.

Our second pull was at our Fair and it couldn’t have rained any harder. The ring was a soupy mess of mud but that didn’t stop us. The ladies pulled that night with so much determination, Ally even blew her boot apart! Our determination only grew more and more. Falmouth has had 2 women’s teams for some time but until this year they never had another team to pull against. New Ross was the first to take up

the challenge and now there is a team from Windsor area called Mike’s Team, Pictou has a team, and Milford. Six womens’ teams in total now! And at the Pictou exhibition we faced off with more teams and the near win we had against Pictou just drove us harder. So many great memories from Pictou. The wigs lol and those stupid Pirates!

Last weekend at the Windsor exhibition was our last pull together for this year and it was bittersweet. The ladies fought hard and came in 3rd overall. The videos of the pulls have been posted on the New Ross Tug of War Facebook group. The energy in the ring when they were pulling was electrifying!

It has been an honor to get to know these ladies and share these memories with them. We are looking forward to next year already and hearing Wayne telling us to “take it down and hold it” because all we really need is just 6 inches right girls? Haha.

The annual Christmas Festival is the major event of the **New Ross Regional Development Society**, and volunteers are the ones that make it happen! To ensure the success of our 30th year, we are **looking for the following volunteers:**

- Those that would like to be involved in the planning.
- Those that can help on the weekend of the festival by donating a couple of hours of their time.

We appreciate all the volunteers who come forward every year to work the weekend of the festival. Leading up to the festival we meet monthly, and we would love to have you join us! If you have any questions or require further info, please contact any member of the NRRDS or our Festival Chair, Judy O'Leary at 902-483-9963 or by email at newrossreqdevsociety@gmail.com.

We would like to take this time to say a big THANK YOU to everyone who helped at the Firefighters' Booth during the New Ross Fair! Your assistance was greatly appreciated! It is wonderful to know that you are always there to give us a helping hand when we need it! In talking about the Booth we would like to get a head start for next year! If there is anyone who is cleaning out their stuffies and is looking to find a new place for them we will gladly take them off your hands at any time! You can contact Linda (902) 689-2477 or Jan (902) 689-2018 to make arrangements. We would like to Thank You in advance for your consideration!

Benefits of Using Seed Pods in Arrangements

- Extends your garden season.
- Keeps you in the garden longer.
- Adds visual interest to fall arrangements.

Milkweed would be gorgeous with Burgundy dahlias. Plume poppy or coral bells seeds would go well with Cafe au Lait dahlias.

Cut when fresh and lovely, before pods or seeds dry out.

Condition like any other flower – cut at a sharp angle, remove all the lower leaves and place in a solution of flower food.

Flowers Make Us Smile — Inside & Out

"Our weekly flower arrangements have brought joy, colour, and many, many smiles to the Art of Healing Wellness Centre's waiting room."

Amy Grapple, Owner
Art of Healing Wellness Ctr

Here's what a few of our CSA subscribers had to say about their weekly arrangements:

"The flowers were the highlight of my week. They were always bright, pretty and cheery. They gave a calming focal point no matter how chaotic the house. I appreciated the various sizes of arrangements, too. I could put them in different rooms and places about the house. I loved them!"
JL

Thank you to all our 2023 CSA subscribers!
Creating weekly flower arrangements for you was a joy! ~ Susan
