About New Ross Community Day Care

The Day Care is in the New Ross Consolidated Community School. We would like to have a small centre that offers a home environment and a very personal experience for families and children.

There already exists many key partnerships that will make this a very special Day Care opportunity. Not only will the location offer access to the school, but NRCS already has a very close partnership with the New Ross Family Resource Centre, which is located adjacent to the school.

The NRFRC offers afterschool programs, playgroup, prenatal program & baby group, dance class, etc. This close partnership will allow for a continuum of learning from early childhood through to school age years and surrounded by a caring, loving, family and community orientated environment, it would be our hope, goal and mission that each child will strive and thrive.
