NEW ROSS FAMILY RESOURCE CENTRE PROGRAMMING:

Playgroup: Every Monday 10am - 11:30am when there is school. For families with children, birth to age 5. Includes free play, art activities, reading, music, a healthy snack and an opportunity for the adults to connect.

At Home Learning Kits: A learning/play kit which includes activities for children (ages 1-5 years old), family activities (such as cooking), or an online component (such as a read-aloud book). These are prepared monthly when funding is available and pre-registration is required. Email nrfrcjanice@gmail.com to register for September!

Community Cupboard: Free for all community members to use. We welcome folks any time during our regular business hours (Monday - Thursday, 9am - 4pm). Come take what you need or leave what you can.

Free Meals for Families: A partnership with the Forties Community Centre and their monthly suppers to help support all families with children under 19 (living at home) to share in having a local, nutritious home cooked meal provided to them for free. Simply come to the Centre and let us know who in your household would like a free meal, present the coupons at the door of the supper, sit down and enjoy your meal or get take home and enjoy in your own home.

New Programming!

Parent Support Group: Come join Lindsay on Wednesday, August 9 from 10am-12pm and/or Tuesday August 22 from 1-3pm for a hot beverage, light snack, and conversation with others about the joys and trials of parenthood.

What’s a Pronoun Anyway?: August 15 from 1-2:30pm. What is the difference between asexual and pansexual? Why am I calling a person “them”? Come learn what these terms mean and why it’s so important in being inclusive in a non-judgemental, casual atmosphere.

Yoga with Mona: Wednesdays starting September 13, 6:30pm - 7:45pm. 10 week session for adults/teens = \$120.00. Call 902-689-2414 or email nrfrcjanice@gmail.com to register.

With Thanks

The Resource Centre would like to thank Community Links for their recent funding which provided 67 meals to seniors. Thank you for your generous donation!!

I wish to thank family and friends for their kind thoughts and wishes since my surgery. To all the ones who came to visit, Thank You. Your cards from the Anglican Church members, Marsha and board of directors from the Forties Community Centre, members who signed the card at the card game. Gene Daniels who told some good jokes.

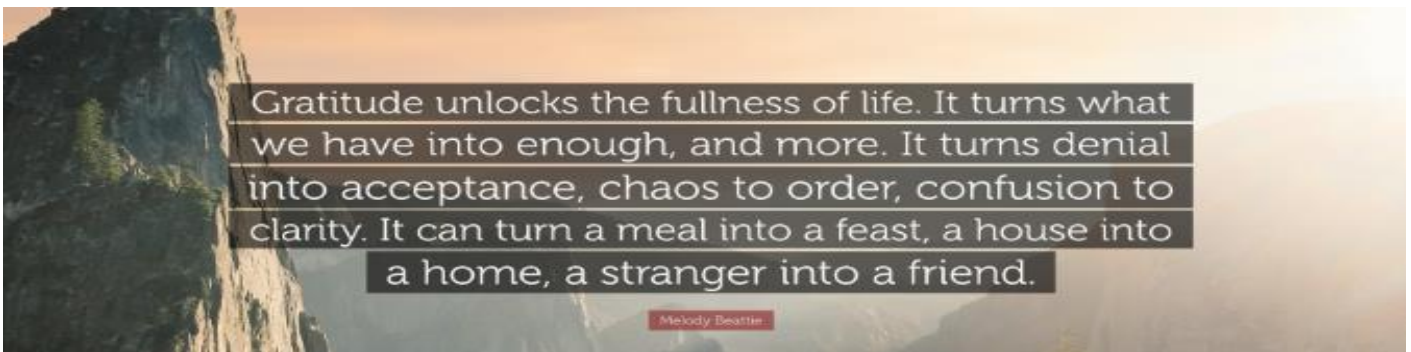

There is a song which is sang by Alan Jackson which rings true with me, with the first few lines.

The older I get
The more I think
You only get a minute, better live while you're in it
'Cause it's gone in a blink

And the older I get
The truer it is
It's the people you love, not the money and stuff
That make you rich

It's so nice to live in a community where people care about their own.

~ Robert Gates

In Memory

In Memory of Sister:

Twiah E. Keddy

December 22, 1944 ~ July 26, 2022

Those we love, don't go away

They walk beside us, everyday.

Unseen, unheard, but always near.

So loved, so missed, so very dear.

~ Carole Meister

As most of you may know Logan Lohnes, Lauren MacDonald and their daughter Alixa lost their house a couple of weeks ago to a fire. Logan and Lauren are members of the New Ross Tug of War teams and could use our support during this difficult time.

A fundraiser is being put together for them **Saturday August 5th** at the **New Ross fair grounds**. Gates will be open at 830am.

Washer toss tournament starting at 10am. \$20 a team.

Tug of War weigh ins will be 12noon to 1pm

We will also have gift basket raffle, a silent auction and a bake sale.

Look forward to seeing everyone there.

Community Spotlight

If you've been by the Fairgrounds lately you would have seen a new wooden ticket booth set up to replace the older white one that had been at the entrance for years. This month's Community Spotlight is on Kyle Veinott and the sheds he has been building for approximately the last 3 years. Kyle is the youngest entrepreneur in New Ross with his portable mill, lumber services and buildings he has been constructing. His buildings have gone all over NS. They are not just storage sheds, they can be customized to fit any need or want.

Back in April Kyle and his crew completed the construction of the Rink Committee's new rink storage building. This is located towards the backside of the Fairgrounds next to the tug of war practice area.

You will also find one of his buildings sitting along Ruby's Trail in New Ross, known as Lady Bug Lodge.

Some of his creations have become dwellings for people. What started as a hobby has become a high demand item. Kyle and his helpers are busy every day.

GUESS WHAT??

Now you have a chance to WIN your very own 8x10 shed built by Kyle's Sheds!! It's now on display at the New Ross Fairgrounds (5032 Highway 12) to the left of the main entrance until the draw on August 19th at the Fair. Thanks to Kyle's Sheds for making this opportunity available to raise funds for our Community Rink Committee and the Farmers Association. It's a well built shed with an amazing amount of storage space. A winner outside of New Ross is responsible for transporting the shed to where it's desired. Tickets are \$5 each or 3 for \$10.

Kyle advised that the share of proceeds from ticket sales that were to compensate him for building it are to all be given to our local 4H organization! This is very generous of him and means he is totally donating the building valued at over \$3000! Kyle noted that 4H and his childhood leaders like Grant Reeves and Jeff Reeves had a very positive impact on his life and 4H continues to be there for his younger relatives. Another example of the great community spirit in New Ross!

Here's a list of ticket vendors:

- Chrissy at New Ross Home Hardware or at her home (Kyle's)
 - Ashley at East Coast Power Lines office which is grey building across from New Ross School or contact her.
 - George at Barry's Garage
 - Hudson Broome
 - Fallon Rafuse
 - Tina Connors
 - Marty and Wanda (902) 689 2025
 - 4H members as determined by Katie Hirtle
- Thank you vendors and Kyle.

TICKETS \$5 EACH OR \$10 FOR 3

Check out the new buildings at the Fair this year and be sure to buy a ticket on the 8x10 shed. Contact Kyle for all your lumber and building needs.

GENEALOGICAL ASSOCIATION OF N.S. (GANS)

BEGINNER GENEALOGY WORKSHOP

Pamela Wile and Janice Fralic-Brown, both Past Presidents of GANS, are jointly conducting a "Beginner Genealogy" Workshop, aimed at people who are starting their work in genealogy, open to all members of the public.

The Workshop will be about two hours in length. It will consist of an introductory presentation, and a series of exercises which will each allow the participant to master a particular set of research tasks. The participant will come away confident about how to move forward with their own family research.

Ms. Fralic-Brown has recently retired from a position as the Circulations Manager at NSCAD University Library. Jan is currently Cataloguing Manager for the Terry Punch Research Library at GANS. Ms. Wile has had a lifelong interest in genealogy, and is one of the province's specialists in this area. She currently holds the position of Vice-President & Treasurer at GANS.

BEGINNER GENEALOGY WORKSHOP

GANS is holding a "Beginner Genealogy Workshop", open to both members and non-members. If you are just starting out on your genealogy journey, you will need some guidance as you begin recording and researching your family history. Join Janice Fralic-Brown and Pamela Wile for a morning of instruction and hands-on-work recording your information. Learn how to verify your facts, use available resources, and organize your research.

NEW ROSS
CHRISTMAS FESTIVAL

newross.ca
starts 1st Friday in December

2023 MARKS OUR 30TH ANNIVERSARY!

The annual Christmas Festival is the major event of the **New Ross Regional Development Society**, and volunteers are the ones that make it happen! This is going to be an amazing year for the festival as we are looking to add some new events and bring back some favorites from past years. To ensure the success of our 30th year, we are looking for the following volunteers:

- Those that would like to be involved in the planning.
- Those that can help on the weekend of the festival by donating a couple of hours of their time.

We appreciate all the volunteers who come forward every year to work the weekend of the festival. Leading up to the festival we meet monthly and we would love to have you join us! If you have any questions or require further info, please contact any member of the NRRDS or our Festival Chair, Judy O'Leary at 902-483-9963 or by email at newrossregdevsociety@gmail.com.

Update from Tina Connors Councillor – New Ross (District 6)

Municipal Buildings: Main Administration and Annex - Considerable upgrades are required to our administrative buildings. Additional space (office/staff and storage) is needed, along with improvements related to accessibility. Staff presented a *New Building Options Report*, identifying nine options to address current building deficiencies. At this juncture, the option chosen by (the majority of) Council is to look at a retrofit and expansion of existing buildings on our current property, including the possibility of joining the two; and included with this, an off-site public works building. A Feasibility Analysis is being undertaken to provide the following information:

- a review of existing conditions (including: accessibility; security; mechanical heating; and cooling systems) and, reporting on major non-compliances;
- an evaluation of criteria for expansion such as office & storage space, and financial impacts; development of a functional work space building;
- a Class 'C' cost estimate of upgrading and expanding our current buildings with a new building (section) between the two existing buildings.

Recent Discussions at Council Table:

- > New Ross Christmas Festival – presentation to Council, including event plans for the 30th Anniversary;
- > Uniform Business Signage Program – the 'new' signs have been installed in the pilot project area, Exit 6/ Hubbards, with Exits 7, 8, and 9 to follow;
- > Church Memorial Park – recent presentation, RE: Request for Funding for a Feasibility Study: Future of the Rink (renovate and maintain existing facility vs. build new).

Salary and Benefits Review: A Salary and Benefits Report for all positions - staff and councillors - has been completed by Gerald Walsh Associates. Council is reviewing the comprehensive report; determining equitable remuneration practices consistent with other municipal units is critical. The last review was done in 2010.

Sherbrooke Lake Public Access Update: The Municipality of the District of Lunenburg (MODL) has not begun development of Sherbrooke Lake Park as of yet; Council (MODL) did not allocate any funds to the project during their recent budget approvals for 2023-2024. The public access site is accessed either from Walden, or Mahone Bay.

I hope everyone's summer is going quite well (despite the rain)... with not too many pesky bugs! Be sure to support the many activities and happenings across our community - new events, recreation programs, community suppers, and of course our annual *New Ross Community Fair* August 18 & 19 - a truly great, fun-filled time for all ages.

On a final note – and in case anyone might have forgotten - *Happy Birthday New Ross...* celebrating its 207th on August 7!

See you soon,
Tina C.

Sauerkraut Making Demonstration

In earlier years, usually in November, families prepared for winter by putting up barrels of sauerkraut. This is a process in which cabbage is shredded, salted, and stomped in a barrel and then allowed to ferment for 4 - 6 weeks. This weekend staff will be making sauerkraut using tools that would have been needed to make enough for a family's winter needs.

Dear Community Care Centre Board Members,

You may have addressed some of the following points at your most recent “gathering, to update the community on our progress”, however, for those New Ross residents who were unable to attend, some may appreciate an update on the following aspects:

1. **Original Vision Change**: Could you please clarify when and why the original vision of an assisted living facility for seniors, located adjacent to the manor at the cross, was changed? Understanding the reasons behind this alteration would help the community better grasp the project's current direction.
2. **Qualified Management Company**: Can you disclose the name and credentials of the management company that will be responsible for implementing and running the proposed affordable housing rental complex? Additionally, it would be beneficial to know how the company plans to handle necessary maintenance and daily operations of both the units and the grounds once the project is in place.
3. **Funding Sources**: Where will the funding for operating expenses come from? It's essential for the community to understand the financial aspects and the sustainability of the project.
4. **Infrastructure Support**: With a large complex of rental units being developed, how will the necessary infrastructure, such as water and sewer systems, be accommodated? Additionally, what measures are being taken to address the potential increase in traffic on the adjacent side dirt road?
5. **Impact on Local Taxpayers**: Could you provide a clear explanation of how this project will affect local taxpayers? Are there any direct tax implications for the municipality as a result of this development?
6. **Green Space Preservation**: The proposed project raises concerns about one of the largest green spaces in New Ross being compromised. Can you share information about how the green space will be protected or preserved despite the development?
7. **Feasibility Study and Community Survey Results**: Where can the community access the results of the New Ross feasibility study, needs assessment and the community survey? Having access to this information would allow residents to better understand the data behind the project's planning.
8. **Future Oversight**: In the event that your volunteer non-profit group is no longer able to oversee the project in the upcoming years, who will take over the responsibility for both the complex and the land? It's important to have a clear plan for the project's long-term management.

Thank you very much for your attention on these points of interest and we eagerly await your answers or responses by the September Flyer.

-Inquiring New Ross residents

A SHOVEL & \$5,000,000

Thank you, community members, for the great turnout at the New Ross Community Care Centre Community Meeting on July 13. Thanks to the Christ Church Guild for the lunch, and the New Ross Legion for the space. Over 80 people came out to hear more about the project, see the preliminary designs and ask questions. It's not surprising in New Ross to see solid community support for projects that benefit the community, but it is endearing, and energizing!

The project is coming along, but to be successful, it will require community support – something at which our community excels. A project of this magnitude will add value to our community, in the way of safe, affordable homes for our community members. While the final plan, and cost estimates, are still being figured out, we anticipate the project to cost approximately five million dollars. As with any building project, the more we raise, the less we must finance, so we are starting the fundraising campaign with a goal to raise the full amount! To date, we've raised over \$300,000 and we're just getting started.

If you would like to make an in-kind donation (labour, gravel, machinery, building supplies, etc.) please email us at newrosscare@gmail.com. For monetary donations, a cheque can be made out to the Municipality of Chester (P.O. Box 369, 151 King Street, Chester NS B0J 1J0) with a note on the cheque that it is for the New Ross Community Care Centre, or e-transfer payments@chester.ca. Please include the name you would like on the tax receipt and the mailing address. Donations over \$25 are eligible for a tax receipt from the Municipality of Chester.

MEET US AT THE FAIR

Missed the meeting? We're eager to share more details as the process evolves in the coming months. Watch for the NRCCC Pop-up booth at the New Ross Fair on August 18 & 19. MemberDirect™
Convenient! Secure! Easy!

Total convenience of **24-hour online access** to your accounts **free of charge**. You can manage your money anytime of the day or night, when it suits your schedule, not ours.

DO YOU HAVE A CREDIT UNION DEBIT CARD CHIP CARD?

Here are some reasons why you should:
Convenience ~ Portability ~ Security

It gives you easy access to your money at thousands of automated teller machines (ATMs) around the world 24 hours a day, 7 days a week. As well, it provides convenience and security by using the Direct Payment option for all your retail purchases. Your Credit Union DEBIT CARD CHIP CARD puts you in touch with the safest, most efficient payment method available to consumers today.

Control of your accounts is never further than your pocket if you carry a Credit Union DEBIT CARD.

Holiday Branch Hours

Regular hours will resume on **Tuesday, August 8, 2023**

ATMs are available at both locations to serve you, 24 hours a day, 7 days a week

SANDERS TREE FARM SUPPLIES LTD.

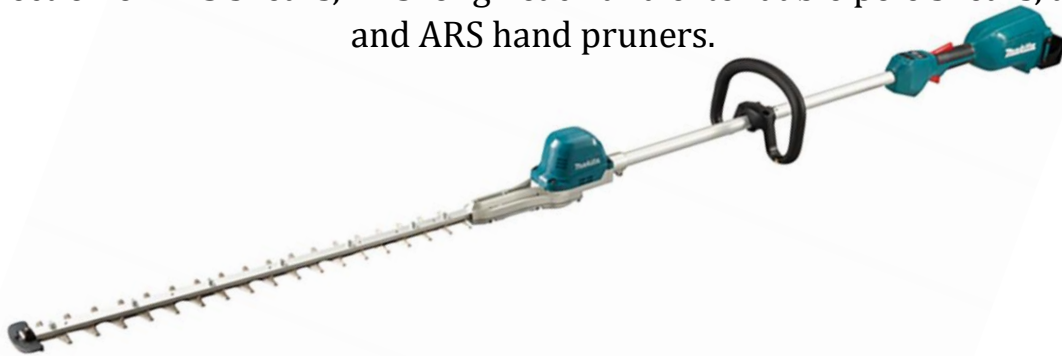

4923 Highway 12, New Ross Phone: 902-689-2938

Monday – Friday 1pm – 5pm Saturday 9am – 12 noon

We are your local Makita dealer carrying a wide variety of battery-powered, commercial products, to replace your gas equipment. Now that Christmas Tree shearing has started, Sanders Supplies has everything you need to get your trees ready for the season.

The new Makita 18V Pole Hedge Trimmer is great for shearing with a weight of 7.5lbs, and 6 ½ ft. long. This trimmer will be able to shear even your larger trees. We also have a large selection of ARS shears, ARS long-reach and extendable pole shears, and Bahco and ARS hand pruners.

LET MAKITA HELP YOU WITH YOUR WORK!
