Free Counseling for Women in New Ross

Information from Nicole Robson about her counselling services:

My name is Nicole Robson and I am the Outreach Coordinator at Second Story Women's Centre. I am happy to say that due to the support of the New Ross Family Resource Centre I will be able to offer some one-on-one counselling support every two weeks in New Ross. Second Story offers support through a trauma informed approach, and I have worked with people dealing with anxiety, depression, trauma, and grief and loss. I like to work from a strength-based approach, and use tools such as mindfulness, and grounding techniques. If you have any questions or would like to schedule an appointment, please call: 902-541-0343

Rising Costs Taking a Toll on you this Winter?

With Thanks

The family of Karl Meister would like to express our deepest thanks to the community – both in New Ross and beyond – for your support and thoughts during our recent loss.

In particular, we want to thank those who visited Karl in the hospital, who called him or one of us to check in on his health, or those who simply sent a Facebook message during his illnesses or after his passing.

To everyone who dropped off food over the past weeks and months, we appreciate your thoughtfulness in doing this.

We also want to express our gratitude to the doctors and nurses at South Shore Regional Hospital who made his final months comfortable. In a very difficult time for these professionals, they went above and beyond to make Karl happy. After his passing, White Funeral Home in Kentville did a wonderful job caring for both Karl and us.

To everyone who attended his funeral, you could see how much that moment meant to him, given the care and consideration he put into its planning. Thank you for being there to give him a proper send off.

Thank you to Rev. Rick Small for officiating, to Colette Gates and the choir members for the music, and the Christ Church Guild for organizing the wonderful reception afterwards.

And finally, thank you to everyone who donated in Karl's name. There were too many to thank individually, but it was wonderful to see organizations like the Parkinson Society of Nova Scotia, the Canadian Cancer Society, Amnesty International, the Canadian Bible Society, the New Ross Baptist Church Cemetery and Jumpstart receive money in honour of Karl.

Karl loved his community. And you showed love in return as his health declined. That truly meant a lot to Karl and to us as his family.

Alice, David and Sean

Thank you to the New Ross Historical Society for choosing the theme "New Ross Women ~ Noteworthy Contributions" for the 2023 New Ross Calendar.

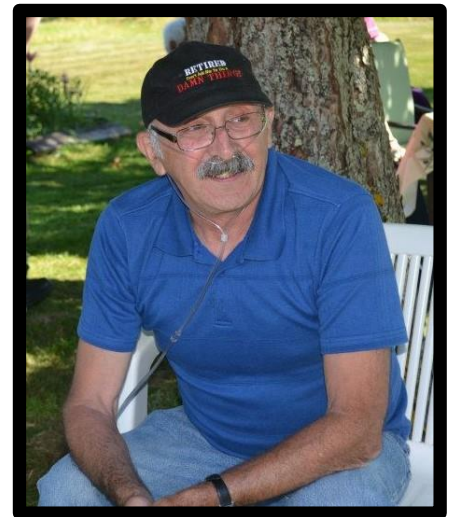

It is an honour to be included in the calendar and I want to thank the Society on behalf of all women included in the calendar for this special recognition.

Women in New Ross continue to give to the community everyday and when it is recognized it means a great deal.

Community Spotlight

*For some people
Volunteering is about giving
But for the likes of you
It is a way of living...
Thank You*

In the first community spotlight, highlighting people of New Ross who have made an impact on the Community, I would like to honor Grant Reeves for all his endless volunteer work he has done throughout the years. I knew Grant as my 4H horse leader and through the light horse show at the Fair. Grant has always been a kind, generous person, always willing to share a laugh. Many of you may have seen Grant the last few years around the fairgrounds with his oxygen tank and yet the decline of his lungs did not stop him from helping where needed. And then he was one of the few that successfully received a double lung transplant and now he has a new lease on life. Still helping, still volunteering, still shining! On behalf of the Community Grant, Thank you for ALL you have done and continue to do!

Grant started his involvement in Community groups by becoming involved with minor hockey and 4H when his boys were young. He helped with the 4H light horse program from 1977 until 1982 when he became the leader, which he remained for 10 years. Many past 4H members have fond memories of meetings at his house or adventures with him to judging events and the smell of his cherry tobacco in his pipe. Grant remained the 4H horse leader until around 1995 but that did not end his involvement with 4H or the horse world. Over the years he held such positions as South Shore Director on the 4H Council (91), Chair of the small livestock committee for NS 4H Council (92), Member of the SS Exhibition Committee (94&95), Co-General 4H leader (95), Clerk for the light horse classes at the SS Exhibition (97&99) and assisted with the 4H Provincial Show held in Bridgewater. In 1991 Grant received the outstanding leadership award presented by the Lunenburg County 4H Council.

Grant wasn't only involved in the 4H program, he joined the New Ross Farmers Association in 1980 and has been instrumental in developing the light horse show at the Fair. In 2013/2014 he prepared a grant application and coordinated construction of a new riding ring, which included other improvements to the Fairgrounds including improved drainage and creation of new camping spaces where the old riding ring was located. In 2015 he created a Facebook account for the Fair and also received a volunteer award from the Municipality of the District of Chester Council. Grant held the president position with the farmers association from 2015-2020 helping with grant applications and supervising summer students. In 2019 he assisted with grant applications and coordinated construction of a new multi purpose arena which is used for ox and horse pulls at the fair and a community skating rink in the winter.

Besides his work with 4H and the Farmers Association, Grant was an assistant coach, coach and manager for Chester Minor Hockey for over 6 years. He was a scout leader for 1 year in the 80s and helped with Legion Bingo. Grant has spent hundreds of hours working on projects for the Fairgrounds. His heart lies in the Light Horse show which was started in approximately 1977 in nothing more than a roped off area on the property adjoining the fairgrounds and 6-7 entries. The horse show then moved to a small area down by the oxen barn. Then the first official ring was built parallel to highway 12.

Grant has always held a special interest in horses. And in growing the horse show at the Fair into what it has become today. Even by offering his own horses to those that wanted to show. Grant with lots of help from Janet helped the show grow from under 10 entries a year to anywhere from 30-50 entries per year coming from all over. Grant has always made sure the Fair's light horse show was an affordable and good place for young riders and horses to gain experience. He was always willing to lend a hand even when that meant helping carry a stubborn pony and it's rider over the bridge in a trail class. Grant always had a great sense of humor and loads of patience.

In the mid 1970s Grant's lung collapsed and lost some of its function. He continued to volunteer and support the Community. In 2006 The COPD and the emphysema were getting worse and he went on disability at that time. In December of 2010 he was admitted to hospital with pneumonia and was put on oxygen which he ended up on for years. It became a common sight to see Grant going with his oxygen tank and then eventually as his lung function continue to deteriorate, he could be spotted sporting around on "blueberry" his motorized scooter. From May to August of 2020 Grant ended up in and out of hospital due to collapsed lungs multiple times. It was then that a lung transplant was suggested.

Now most would be home resting after receiving news of this nature but not Grant! I remember him announcing the horse show in August of 2021 less than a month before embarking on his journey to Toronto to await a transplant. On September 2nd after months of tests and appointments Grant and Janet headed to Toronto, not knowing if or when they would return.

Once in Toronto there was a lot of waiting, some sight seeing, appointments, card games and visits with friends they met awaiting transplants as well. March 29, 2022 the call came that a suitable set of lungs were going to be available. And on March 31st Grant had a double lung transplant which took about 12 hours. He did really well but did experience Afib which happens in about 1/4 to 1/3 of lung transplant patients. There was covid to contend with and 3 weeks

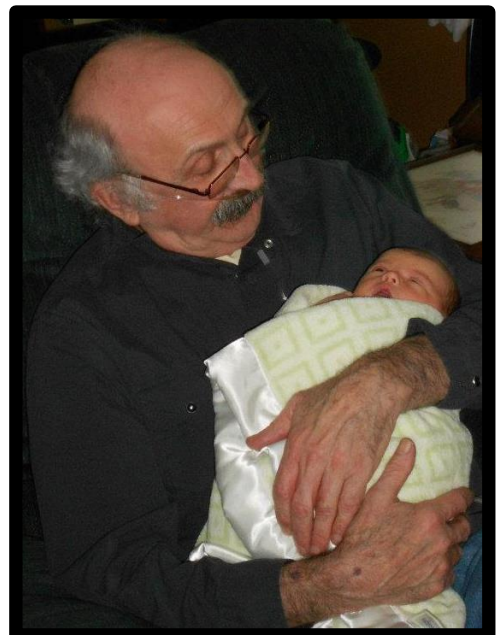

after the transplant 18 days of Rehab. May 9th Grant was able to leave Rehab and return to the apartment he and Janet had been staying in.

More appointments, rehab, and weekly bloodwork and tests then on June 30th Grant and Janet were finally able to board a plane headed for home. And once home sure enough Grant was back in action with a new lease on life and attended a Farmers Association meeting the week after arriving home!!

Grant recovered well even with a bout with Covid in September 2022. He was able to start working in his Christmas trees again that fall, shearing and cutting them, something he hadn't been able to do for at least 15 years!

Grant has had an incredible impact on the youth of this Community as well as in the development of the Community as a whole. He continues to have a smile and a good sense of humor. He has made a remarkable recovery and even throughout his journey he still continued to volunteer and to see him going now without his oxygen tank and his scooter is remarkable. Thank you Grant for all you have done and continue to do for New Ross!

*“Volunteers do not necessarily have the TIME; they just have the HEART.”

Caregivers and Community Partners;

Caregivers Nova Scotia, in partnership with the NS Centre on Aging, invites family/friend caregivers to visit www.NSCaregivingProject.ca to share your experiences via an online survey.

If you are a caregiver who provides care to someone with a physical or mental disability, chronic illness or disease, older or frail, or palliative, we want to hear from you. We are looking for caregivers who care for children with complex needs, sibling caregivers, caregivers supporting parents or spouses, caregivers caring for someone living in Long Term care, and more! Sharing your experiences will help us understand the needs and ways to better support caregivers in Nova Scotia.

All survey participants will be entered into a draw to win a gift card.

Update from Tina Connors Councillor – New Ross (District 6)

A quick reminder that the Municipal Tax Exemption deadline is March 31. Contact me with any questions.

Another quick reminder... the **annual** deadline for *Small Capital Grant and Major Project Grant* – available to non-profit groups - is January 31.

Comfort Centres: During times of emergency situations, such as severe winter storms, high intensity rain fall, or extended power outages, Comfort Centres have been established throughout the province by communities for communities. These Centres are intended to be a location where community members can gather, be warm and safe, be a place of information, have a hot drink and maybe even something to eat! In New Ross the Comfort Centre is the *fire hall*. Thank you New Ross Volunteer Fire Department.

Volunteer Award Program: Plans are in the works for National Volunteer Week 2023, and volunteer nominations are open! Nomination categories include: Individual; Youth; and Family. Contact the Recreation Office - 902-275-3490 / recreation@chester.ca - with any questions, including nomination guidelines & form. Deadline is March 10.

Annual Grants to Organizations: For the fiscal year April 1, 2022 to March 31, 2023: *Council* \$23,750; *Tourism* \$8,000; *Recreation* \$20,000; *Budgeted Line Items* - \$113,190 [*includes, for example: Church Memorial Park; Community Wheels; Seniors Safety Program]; *Economic Development* - \$150,000; *Major Project* - \$439,000; *District Council Grant* - \$70,000 [*to date, \$45,850 allocated].

Did You Know: *South Shore Connect* is an online directory of sport, recreation, and active living opportunities across the South Shore (Lunenburg, Queens, Shelburne, and Yarmouth counties). The goal of this initiative is to share information and build community, and to make it easy and convenient for everyone - residents and visitors - to find out what's going on around them. Check it out when you get chance... southshoreconnect.ca! The site is available for all groups and organizations to list their programs, events and activities, community halls/facilities and community infrastructure (e.g. trails; tennis courts; outdoor rinks).

2022-2023 Committees: Annual Council appointments, for me, include: Equity, Diversity and Inclusion Advisory Committee; RCMP Advisory Board; Community Use of Schools Committee: Aspotogan Community Elementary School and Forest Heights Community School; Building Code & Unsightly Premises; Lunenburg County Seniors Safety Advisory Partnership; South Shore Regional Library Board; and Sherbrooke Lake Park Advisory Committee.

Winter = skating, right? Sure hope so.... the **New Ross Rink** is ready for action, and all we ask is for Mother Nature's cooperation! A BIG shout-out to all involved, and fingers crossed for cold temps!

See you soon,

Tina C.
