A Note of Appreciation from the Aldersville Cemetery Committee

We are extremely grateful to all who supported the fundraiser event, held on May 27. Thank you to all involved.

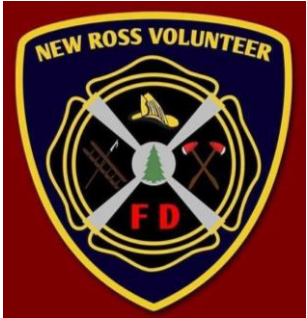

The Committee has immediate plans that they have been working on, that is expansion of the cemetery parking area. We are thankful to those who have donated their time, and their equipment as well, along with a good start on a few loads of gravel! We are especially thankful to the neighbouring property owners, who have graciously allowed us to do what we are doing.

Oh, and did we mention the amount raised... \$4,836.40! (And yes, that is after expenses.)

The parking lot is one project, and as with any cemetery, there is always maintenance, occasional repairs, and general beautification.

Sincerely, St. James Anglican Cemetery Committee

We would like to take this time to Thank everyone for coming to the MayFest breakfast at the New Ross Fire Hall. Also a Special thanks to our helpers and all those people that supplied food for the Bake table and in any way! It takes everyone working together as a team to have a Successful Day! Your continuous SUPPORT is greatly appreciated!

It is that time of year for Spring Cleaning! If anyone is looking for a new home for their stuffed animals, we can gladly take them off your hands! You can contact Linda Meister at 902-689-2477 or Jan Reeves at 902-689-2018 to make arrangements. We would like to thank you in advance for thinking of us.

Community Spotlight

New Ross has been blessed over the years with many exceptional teachers who have made great contributions to our small community. One of these teachers that still has a place in the heart of many is Mrs. Beatrice Meister, well known as Mrs. Rex. She was a shining example of community pride; she taught and tutored, she supported all the extracurricular activities at the school, participated in community events, was very involved with her Church and community groups and was also a wife and mother of two boys, Karl and Robert.

Beatrice (l) Beulah (r) 5 years

Beatrice was not originally from New Ross, her and her twin sister Beulah (Freeman) were born on July 21, 1916 in Pleasant River. Beatrice was not alone in wanting to become a teacher as all her sisters became teachers as well. Her early days of teaching found her in a position in Martin's River and eventually she moved to New Ross to live with her sister who was also teaching here and she started teaching in the Lake Ramsay school house. Her first class here was in 1947, also the year she met Rex Meister to whom she married and spent 56 years with.

Teaching became a family practice with at one point 3 Meisters all teaching in the same school so Beatrice became Mrs. Rex and thereon out people would refer to her by that name. I know growing up I often heard my mother speak of Mrs. Rex and I never did know her first name until just recently. Mrs. Rex was a well respected teacher and friend.

Those who remember her fondly can still remember some of her sayings she had such as when the boys in her class were disruptive, she'd say "Don't be fresh or I'll salt you down" or "Empty vessels make the most noise". Yet another: "Knowledge runs off you like water running off a duck's back." All in all Mrs. Rex loved her students and

had a good sense of humor with them. She loved seeing a child's face light up when they finally understood something, and math was Mrs. Rex's passion to teach. She believed "if you can inspire a child to learn, you can teach them." She did not believe in labeling children. She believed all children could learn and she spent many hours outside of her school day tutoring students, even continuing to do so long after she retired. Students would often start showing up around suppertime and she once said, "I'd rather teach math than eat."

Mrs. Rex taught most of her 32 years as a teacher at New Ross Consolidated school and served as a long time member of over 35 years for the Home & School Association. She also volunteered as a school librarian. From what I've been told there was no one more supportive of the school events or a bigger advocate for our school. She attended and cheered at all the sporting events, supervised all the dances and helped with fundraisers. She was even known to host members of the opposing sports teams at her house on weekends during tournaments. Mrs. Rex was not a principal or vice principal, but she was the school matriarch. To some Mrs. Rex was an icon. Her clothes were often covered in chalk and her hands stained with ink from the gestetner (the duplicating machine).

After a day spent teaching she would return home to cook supper for her family and the

men working on the farm, clean, tutor students, and make meals for the next day. She also helped care for her neighbor for more than 20 years by cleaning and cooking for him. Mrs. Rex never sat still! Weekends were for Church, her other passion in life. During her long years of membership in the New Ross Baptist Church, she served on nearly every committee, was a faithful Sunday school teacher and superintendent for over 30 years, as well as youth group leader, choir member, ladies' auxiliary member, and a church clerk.

She also served on the Women's Missionary Society, the Christian Women's Club and the church council for Lunenburg-Queens.

Mrs. Rex always said she would know when it was time to retire from full time teaching and she did just that shortly before her 65th birthday. But that certainly didn't slow her down! She was committed to her passions, the most enthusiastic cheerleader for school events, she believed in all students and wanted them to be their best whatever that was. She was loyal, kind, comical, dedicated, had energy beyond belief and was a force to be reckoned with! These are just some of the ways past students remember her still to this day! Even after "retirement" she still continued to tutor students well into her later years.

One would wonder where Mrs. Rex found the time to volunteer as much as she did with the school and the Church but she also found enjoyment in her flower gardens and was a member of the local garden club. She began a defensive driving course and would register people for that. She was a cashier at the cafeteria during the annual craft fair held at the school, was an ambassador for the Order of the Eastern Star and worked on the executive of the retired teacher's association. It was common for her to provide transportation for others to meetings and community events. And many will remember Mrs. Rex "stopping by" while canvassing the community for several worthy causes. Everyone knew Mrs. Rex.

1994 Award for Exceptional Volunteer Service

During her ninety years, she filled many roles and was the recipient of several awards and commendations in recognition of her service. Volunteering just came natural to her and she always wanted best for the community she called home. Mrs. Rex passed away peacefully on February 19, 2007 at the age of 90. A pillar of this community and a treasured piece of our history.

Mrs. Rex on her 90th Birthday

~ I would like to thank those that recommended Mrs. Rex for the Community Spotlight and for all the input I received to put this piece together. I want to especially thank Alice Meister for the wonderful visit and time spent going through memories and photos with me. I look forward to our next visit!

Update from Tina Connors Councillor – New Ross (District 6)

A pole-mounted **Speed Radar Unit** will be going up! It will be located near the fire hall, as you are driving toward Charing Cross. It is a solar-powered unit and can be controlled/ monitored externally. You may recall I included a note in an earlier Flyer edition... a year ago. {For interest, each of the 7 councillors were to identify 2 potential site locations for submission to the province, Dept of Public Works, for consideration. This location received the 'green light' upon application, followed by a second location (Hubbards) just recently.}

Fire & Emergency Service: In the Municipality fire and emergency services are provided through the seven fire departments, including: New Ross; Blandford; Chester; Chester Basin; Hubbards; Martin's River; and Western Shore. Emergency dispatches are logged on a monthly basis, and data is categorized by department and call type. For interest I thought I would include some stats. In 2022:

	New Ross	Total/ All Depts
Medical	9	428
Structural	1	13
Motor Vehicle Accident	10	88
Mutual Aid	2	141
Hazmat	0	1
False Alarm	10	80
Other (e.g. flooded basements; police assist/ investigations)	20	95
Non-structural (e.g. vehicle; chimney, brush/ woods fires; downed power lines)	14	68
TOTAL	66	914

Welcome Signs - Municipality of Chester: *Welcome* Signs will be installed at the entrance points to our municipality. There will be six in total, located in Martin's River (1), Hubbards (1), Sherwood (1), and New Ross (3). New Ross borders fellow municipal units District of Lunenburg, County of Kings, West Hants Regional Municipality. The signs are being made locally and will include *Welcome* in 3 languages.

In Case You Missed It: The seasonal placement of porta potties, throughout the Municipality, including 2 here in New Ross: Lions Park & Community Trail and Ruby's Trail. You can't miss them... bright red and all!

Lastly, Council will be holding a Regular Committee of the Whole Meeting at Forest Heights Community School, on June 1, start time 9:00 a.m. As always, these meetings are open to the public and citizens are encouraged to attend.

See you soon,
Tina C.
