## With Thanks

\*\*\*\*\*

I would like to say a Thank You to my family members, friends and neighbors for the support, flowers, phone calls and visits that I received following my recent fall, broken hip and subsequent hospital stay. I would particularly like to thank my daughter and her husband, Layne and Matthew Fancy, for their indispensable help, and also to Tom and Tanya Dodge for always being there when we needed them. I am also very grateful to my niece, Linda Jamieson and her daughter, Hannah, for the extra care they gave me while I was in the hospital, and for transporting me home again. I have had so many well-wishes and offers to help that I cannot even list them all! Thank you all for the caring that you've shown.

### **New Ross's Oldest Twins Ronald and Donald Levy Turn 90 in May**

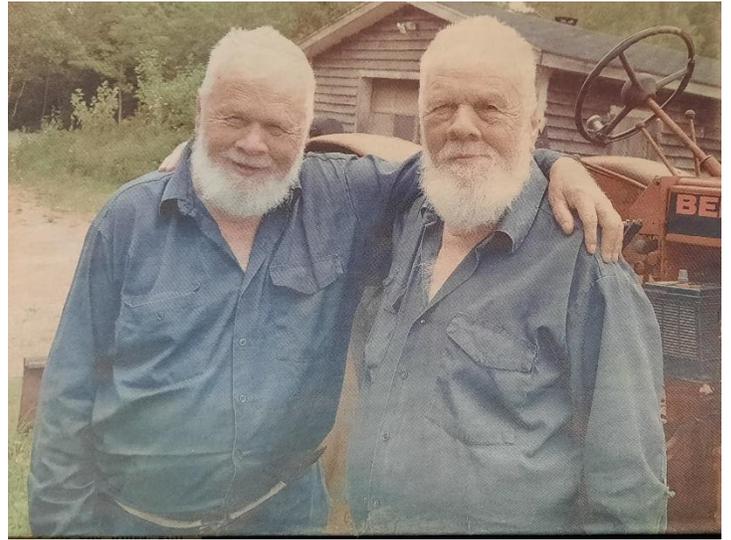

Identical twins Ronald and Donald Levy will be turning 90 in May which makes them the oldest twins in New Ross! Happy Birthday to both of you!

Some would argue that their birthday is May 27<sup>th</sup> and some would say May 28<sup>th</sup>. No one is sure which brother was born before midnight and which was after. Even Ronald and Donald don't know! It is hard to believe that their mother later had 2 more sets of identical twins! Ronald and Donald in 1933, Willy and Willard in 1942 and Audrey & Aubrey in 1948.

Ever since they were born, Ronald and Donald have been almost inseparable. Often dressing identical, having the same haircut, and finishing each others' stories. For as long as I can remember both have sported matching beards, long ago turned white, which has caused many a child to stop and say they didn't know Santa had a brother!

The brothers have lived all their life in New Ross, worked at the mill for many years and always enjoying hunting, fishing and travelling around to ALL the Bingo Games. Ronald married and had eight children while Donald chose to remain a bachelor. Ethel, one of Ronald's daughters, recalls that Bingo ALWAYS came first and she remembers completing homework at many a bingo halls and sitting in the car while Ronald and Donald shared a beer at the tavern afterwards. When there wasn't BINGO the brothers could be found at home spending time playing cards with family and friends.

Ronald was known as the stern one while Donald was more easy going. The children remember being raised to be honest and respectful. And to always make time for family and friends. Sunday nights were spent watching Heartland on tv and the news and radio were always on to hear what the weather was going to be. Church was always attended on Easter and Christmas.

Ronald, Darlene, and Donald

Over the years they raised chickens and pigs at home and they would take turns going out to feed the animals and collect the eggs. Often having a contest to see which one could get more eggs.

These days Eddie, Ronald's son, lives with the brothers and helps care for them but Ronald still has his driver's license and both still enjoy hunting. Donald never did get his license. And whenever they went anywhere you'd

see them both in the front and Louise, Ronald's wife, in the back seat. And if they travelled with anyone else both of them would sit together in the back seat. Being so close you'd have to wonder if they got along all the time. Ethel told me when there was a disagreement each would take a turn having their say, sometimes raising their voice but then that was it. They never fought like brothers sometimes do.

It is unknown where the nickname came from but many would know Ronald and Donald as

5 Generations

“the bubs” or “the bubsie twins” or “the bubsies”. The nickname has been passed down through generations.

This past year has been hard on Ronald. Family illnesses put a strain on him and having some issues of his own his BINGO trips were limited. Donald, not wanting to be apart from his brother, wouldn't go to BINGO without Ronald.

It was mentioned that when telling you a story it is like listening to a record player. One in each ear and usually they are word for word and when one stops the other picks up. Both brothers are known to be honest, caring, and chatty.

I would like to thank Vicki for providing some photos of Ronald and Donald and for putting me in contact with Ethel. I would like to thank Ethel for the stories she shared with me and for the invite to the birthday party! I would also like to acknowledge that 2 of the photos were from a newspaper article in the Progress Bulletin newspaper in September 2015. And thank you to Teresa for your suggestion to spotlight Ronald and Donald!

Happy 90<sup>th</sup> Birthday Ronald and Donald!!

Christmas 2022 some of Ronald's children and grand daughter

## Community event – sponsors needed

It is my pleasure to announce that I have teamed up with a group of local musicians to provide live entertainment in our community this summer. Country at the Cross was designed to give local musicians an opportunity to show off their talents in our community in ways that bring us together. After covid-19 shut down many live events, we believe it's time to bring some life back into our community – starting with live music.

As much as we look forward to the success of this event, we cannot do so without the help of local sponsors to help fund the events. Your sponsorship truly means the world to myself and my fellow musicians who look forward to sharing our music with you all. As gratitude for your kind sponsorship, we shall include your company name (and/or logo) in all posters, social media posts, and in person at our live event.

Our first live event will be May 13th from 3-6pm at the New Ross Community Bandstand (at the cross), sponsored by the New Ross Regional Development Society.

Please let me know if you have any questions, you can reach me at 902.299.0510.

Thank you so much for your consideration, we look forward to seeing you all this spring!

### Rink Committee Update

The New Ross Rink Committee would like to say THANK YOU to the Community.

Last year when the idea of our rink kit was first presented our beloved fire fighters stepped forward to say that they would give X amount of support to make this happen for the residents of New Ross and surrounding area.

The first words that came from the Rink Committee were Thank You! So our next step was to appeal to you, the residents and businesses of our area. Our goal being to take as little as we could from those that work so hard, day and night to keep us safe.

Well again, our response is Thank You! The Rink Committee is overjoyed to tell you that, because of ALL your generosity through all the donations, we were able to fully pay for our rink kit! That was over \$21,000. THANK YOU New Ross and surrounding areas!

And this is not the only news. The New Ross Rink Committee was successful in its application for a grant to build a storage building for our rink. Preparations have been started. This building will be located at the fair grounds, close to the pulling booth. Kyle Veinott will be building this structure for the Committee.

You can see the Progress on our Facebook page called "New Ross Rink"

# NEW ROSS REGIONAL DEVELOPMENT SOCIETY

~ From Chair Scott Hamlin

The New Ross Regional Development Society is a non-profit organization that works to promote tourism and economic development in our rural community.

Our four main goals are: to improve economic development; to increase visitors; help improve community infrastructure; and improve and expand partnerships between businesses and organizations.

If your goals for our community are similar to these then come and see how WE can make it happen together. We are looking for new members and new ideas!

I believe that New Ross has many opportunities ahead of it and it will be as strong, or as weak as WE will make it. The simple fact is that WE can control our future if WE work together and support one another.

The New Ross Regional Development Society is having their Annual General Meeting on Wednesday, May 10<sup>th</sup>, 2023 upstairs at the New Ross Legion at 7pm.

Come see how WE can help make the future TOGETHER!!

## **VOLUNTEERING IN THE COMMUNITY OF NEW ROSS**

The community of New Ross is a volunteer focused community and many of our community events are 100% run by our loyal and dedicated volunteers.

If you've ever considered volunteering, or even if you haven't and you might be curious, there are many benefits to volunteering both for yourself and for the community at large. Here are some reasons why you should consider volunteering:

- **Helping others:** Volunteering provides an opportunity to make a positive impact on the lives of others in your community. Whether you're helping at a local shelter, tutoring children, or volunteering at a food bank, you can make a real difference in the lives of people who need it.
- **Building connections:** Volunteering can help you build connections with others in your community. You can meet people with similar interests, develop relationships with community leaders and organizers, and build a sense of camaraderie and teamwork.
- **Developing new skills:** Volunteering can provide opportunities to develop new skills or refine existing ones. For example, if you volunteer as a tutor, you can improve your teaching and communication skills. If you volunteer at a non-profit organization, you can learn about fundraising and event planning.
- **Enhancing your resume:** Volunteering can also enhance your resume and make you a more attractive candidate to potential employers. It shows that you are proactive, committed to your community, and willing to take on challenges.

- Boosting your mental health: Volunteering has been linked to improved mental health, including reduced levels of depression and anxiety. It can give you a sense of purpose and fulfillment and provide an opportunity to connect with others in a meaningful way.

Overall, volunteering is a great way to give back to your community, make new connections, develop new skills, and boost your mental health.

Newross.ca/organization is the place to find many volunteer organizations in the area that would benefit from volunteers like you.

Here are some examples of the types of opportunities that benefit from volunteers:

- Short shifts at a welcome post during Christmas Festival
- Being more involved in organizing committees of the various volunteer organizations
- Becoming a member of various local volunteer organizations – providing input into local projects
- Assisting with food preparation and/or service at community dinners
- Gardening in your community
- Helping at Ross Farm in various capacities
- Various roles at our annual Community Fair
- Contributing at a board level with those organizations that have a board.

If you've considered volunteering but did not know who to contact, you can reach out to the New Ross Regional Development Society by email at [newrossregdevsociety@gmail.com](mailto:newrossregdevsociety@gmail.com) with the following information:

- Name
- Phone Number
- The type of volunteer opportunity you would be interested in
- The amount of time you would be willing to offer to an organization/activity

Even if it is for an hour here and there, we would love to hear from you!
