Did you know...

AJ Broome was a carpenter and builder that lived and worked at the Cross. He built several houses in the Community. His carpentry shop was behind his house. Photo from early 1900s. His shop still stands to this day and can be seen behind a house located just North of the Cross, making this one of the oldest buildings in New Ross.

In Memory

Bart Hencie Hiltz

Our hearts are broken. It is with profound sadness that the family of **Bart Hencie Hiltz, 61**, announce his passing on August 10, 2022 in Lohnes Retirement Home, Scarsdale, NS. Bart was born on June 8, 1961 in Bridgewater and spent his life in the Forties, New Ross. He was the son of the late Hencie and Ethel "Dollie" (Russell) Hiltz.

Bart loved the farm, having acquired his meat cutting training from Kings Tech Vocational School. He cut meat for many customers in the Forties and beyond. He appreciated his wood stove and a big turkey dinner with lots of mashed potatoes and his family around the table.

He is survived by his older brother, Cyril Hiltz (Kathy Russell) of the Forties; sister, Leila (Jeffrey) Richards of Florida, USA; nephew, Jay (Shawna) Hiltz of the Forties; niece, Amanda (Hiltz) (Chris) Gwynne-Timothy of Chester; Joshua Richards of Connecticut; Jonathan Richards of Florida; as well as much loved great niece, Corinne Hiltz; and great nephews Owen and Trevor Gwynne-Timothy.

Cremation has taken place. **A Memorial Service will be held graveside on Saturday October 8, 2022 at 11:00am where Bart will be laid to rest in the St. Augustine of Hippo Anglican Cemetery, Forties.** A reception will follow at the New Ross Fair Grounds. Memorial donations may be made to the St. Augustine of Hippo Anglican Church, Forties. Arrangements have been entrusted to Serenity Funeral Home New Ross Funeral Chapel, 4935 Hwy #12, New Ross, B0J 2M0 (902-689-2961)

New Ross Outdoor Rink “UPDATE”

The New Ross Outdoor Rink Committee is overwhelmed by the support that our community has shown towards this project. Presently we have reached slightly over 1/2 of our goal of \$18,000 and we are well on our way of having this project available for this upcoming winter.

Businesses in the area will soon start receiving letters asking for their support. The same tax-deductible receipt will be issued for all donations. We would like to thank Blue Bike Farms for their support of this project by donating 100% of their weekend sales of baked goods towards the new rink.

Please keep in mind that this is a community effort. TOGETHER WE WILL SUCCEED, TOGETHER WE MOVE INTO TOMORROW!

If possible, we would like to have the new Rink Kit here and assembled for the Christmas Festival.

Update from Tina Connors Councillor – New Ross (District 6)

A quick reminder to community organizations that the annual deadline for the *Municipal Recreation Grant Program* is October 7. Contact the Recreation Office at 902-275-3490 with any questions.

Another quick reminder... the semi-annual deadline for *Council and Tourism Grants* – available to organizations – is coming up! Current application deadlines are twice-a-year, with the second-round deadline October 31.

Grants to Organizations: Staff and Council are doing a ‘check-in’ of all municipal grant programs, taking the time to look at what’s been working well, along with areas for improvement and suggested changes. Workshop discussions have focused on: grant categories, including possible new program(s); eligibility criteria; and deadlines.

Municipal Boundary Review 2022: Every eight years, all municipal units in Nova Scotia are legally required to conduct a Municipal Governance & Electoral Boundary Review, with the last review taking place in 2014. Municipalities must submit an application to the Nova Scotia Utility and Review Board (NSUARB) by December 31, 2022 with a recommendation and rationale for confirming or changing the number of councillors and the boundaries of polling districts.

The UARB provides broad guidelines for adjusting polling district boundaries and several factors are taken into consideration, such as: the number of electors; relative parity of voting power; population density; community of interest; and geographic size. Representation is essential to how municipal government functions, with councillors elected from polling districts to serve the interests of those specific areas as well as the Municipality as a whole. Ensuring the voting power of electors is effective, fair, and representative is the ultimate goal.

More information, along with a resident survey, can be found online - voicesandchoices.ca/boundary - as well as in the September/ October issue of our municipal newsletter, *Municipal Insight*. Any changes that result from the review will be in place for the next municipal election in 2024.

Don't Forget: The Municipal Recreation Department offers all non-profit groups in our municipality 100 free photocopies per year (that is, 100 black & white *or* 50 colour). As well, there is an equipment-loan program that includes such items as: data projector; projection screen; flip charts; folding tables; sandwich boards; pylons; canopy tent (10x10); PA system with microphone; walkie-talkies; GPS units; bull horn. And more fun things too, like: washer toss; monocular; binoculars; Kelly Kettle; snowshoes; igloo maker! If interested in finding out more, contact the office at 902-275-3490/ recreation@chester.ca.

Small Business Week (SBW) 2022 – October 16 to 22 – is a national celebration paying tribute to the important contribution small businesses make in our economy. SBW serves as a great reminder to support our businesses by purchasing local products & services found right here in our own community!

See you soon,

Tina C.
