**LIGHT HORSE**

The Light Horse show at the New Ross Fair had a banner year, with 64 entries and 48 horses in 6 different categories and a Trail Stake Class over 2 days in the ring.

Many changes (and challenges) this year with the retirement of Grant Reeves and Janet Wile running the Light Horse Group. They organized the Light Horse Show at the New Ross Fair for well over 40 years, starting with a small fenced off ring of grass, a few moves to other areas on the grounds, and finally they were instrumental in creating the riding ring we have today. Many thanks to Grant & Janet and announcer Nancy Reeves for helping us learn the ropes as they handed over the reins of the Light Horse Group and for the many years previous of making sure horse riders of all ages had a fun show to attend at our annual Fair.

We also had a new announcers booth built with donations and supplies from the following: Kyle Millet Lumber, East Coast Power, Taylortox, Tim Crawford, Stacey Meister, Rickey Schnare, Expert Crack & Concrete, Neil & Marie Meister, and Peter & Linda Meister.

Thank you to Jodi Duffney for building our new booth along with much help from Robbie Cornelius, Sawyer Duffney, Anthony Cook, Mark Broome, Scott Hiltz, Wyatt Countway, and Andrew McDow.

Thank you to Lakeridge - Adam Cudmore & Monique Harvie for the sand upgrade in our riding ring.

Thank you to Robbie & Janice Cornelius for the new bridge for Trail Class.

## **OBITUARY - Millett, Lloyd Leslie**

### **DATELINE - New Ross**

**Lloyd Leslie Millett, 90, of New Ross, passed away peacefully in his home on Sunday, September 8, 2024.**

**Born and raised in Gaspereau, he was a son of the late Leslie Otis and Ethel Mae (Skaling) Millett. At a young age, Lloyd left home to live with his aging grandparents and help them on their farm. This began a lifelong love of farmwork for Lloyd.**

**In his teen years, Lloyd transitioned from farming to working in logging camps. At the age of 19, he heard of a property in New Ross that was in need of some help with logging and other tasks. He ended up purchasing this property and established it as his homestead. Not being a man to deny anyone assistance, he had the original property owners live on the farm with him as long as they could.**

**Not long after, Lloyd met and became smitten with the girl from the farm next door. This girl was Shirley, they quickly became inseparable and have since enjoyed 66 wonderful years of marriage. He was a devoted husband and cared for Shirley dearly.**

**Together, Lloyd and Shirley developed and worked on their thriving farm. Side by side, they planted crops and harvested Christmas trees, grew hay, and raised cattle. In the early days, they enjoyed apple picking together in the Annapolis Valley.**

**Besides farming, Lloyd's great love was his family. He and Shirley raised four children. Lloyd was an incredibly supportive father; he helped his children achieve their dreams and backed them up in whatever they wanted to do with their lives.**

**Lloyd was a fun father and uncle. There were lots of family who lived close by, and on the weekends, when all the family would gather together, he could always be found outside playing hockey or baseball with the kids. Everyone enjoyed spending time with him. He loved taking his children on adventures and would always include them in whatever he was doing.**

Lloyd was a sociable man who loved telling stories and engaging with others. For years, he and Shirley enjoyed attending card parties together. His love for nature was evident in his frequent walks through the woods, always with a chainsaw in hand, and often with his children in tow. Each hunting season, Lloyd would bring home a buck to feed his family. His children would accompany him on the hunting trips so he could show them the ropes, and he was a strong believer in learning by observing. Of all the things Lloyd liked to do, his favourite by far, was mowing hay. If hay grew year-round, he would have been delighted to mow every day.

He had also been involved with 4H for several years, as a leader and parent and received an award for his time and dedication to the organization. Lloyd also had a love for tug-of-war and participated as a young man and coached a team for years when he was older.

Lloyd valued hard work and education, an aspect of his life that was little known but incredibly important. Despite his busy farm life, he made a point to educate himself by taking various courses, including a two-year program to become a certified welder and a course in carpentry. Later in life, Lloyd served as one of three directors of an old one-room schoolhouse in Fraxville.

Lloyd lived a fulfilling life, that was full of love. He will be greatly missed by all who had the pleasure of knowing him.

Lloyd is survived by his beloved wife, Shirley; children, Peter (Trish), Allen (Fern), Nelson (Isabel) and Cindy; grandchildren, Amanda, Dawn, Devan, Robyn, Danielle, Chantelle, Anna, Leo, Dominik and Mattea; great-grandchildren, Owen, Alexis, Sienna, and Declan; brothers; Bernie (Grace), Louie (Sharon), Donnie (Doris), Vance (Barb), Paul (Florence) sister; Brenda, as well as many nieces and nephews.

In addition to his parents, Lloyd was predeceased by siblings, Victor, Richard "Dickie" and Jean.

Visitation for Lloyd will be held from 10 a.m. until the time of the funeral service at 11 a.m. on Tuesday, September 17, 2024, in the St. John's Anglican Church, Port Williams, with Reverend Maya Bevan to officiate. Following the service, you are invited to join the family at a reception in the church hall.

Donations in Lloyd's memory may be made to the New Ross 4H Club - Handy Hands 4H Club. Funeral arrangements have been entrusted to the White Family Funeral Home and Cremation Services, Kentville.

Online condolences and inquiries may be directed to [www.whitefamilyfuneralhome.com](http://www.whitefamilyfuneralhome.com).

“Bless the Lord, O my soul, and forget not all his benefits.”

~ *Psalm 103:2*

October 01, 2024

Dear Parish Readers,

Many of you would be familiar with the old saying, “What goes around come around.” The statement offers that there is reciprocity from our actions, whether they are thoughts, words spoken or actions. We have also heard the saying, “I am rubber, you are glue, whatever I say bounces off of me and sticks to you.” Another reminder that our thoughts and words affect someone’s physical being as they, “stick to you.”

1 Timothy 4:4-5 says, “For everything God created is good, and nothing is to be rejected if it is received with thanksgiving, because it is consecrated by the word of God and prayer.” God is love and when we have a thankful heart and lead with such a heart, our words and actions are more impactful than we could ask or imagine. My question to you this October is, ‘What are you Thankful for?’ I encourage you to ask yourself this question daily. I challenge you to infuse the things you are thankful for with thought, word, deed, prayer and watch your thanksgivings grow into a beautiful season. This will also lead you personally on a journey of growth.

This October in the Anglican Parish of New Ross, we will have two Thanksgiving services, one on October the 06th in East Dalhousie at St. Cyprian’s at 11AM and another on Thanksgiving Sunday on October the 13th at, St Augustine’s in The Forties. This is a time to share Thanksgivings as a community, when we gather and pray, focus our thoughts, word and deeds, transformation can happen as a result of an output of our energies. This Thanksgiving, I pray that you all come together as community and share your Thanksgivings, and like the changes we see in the season may you so richly see them in your life.

With thanksgiving and love,

**Laura Mulrooney**  
**Liberal Candidate**  
**Chester-St. Margaret's**

Did you know we may have a provincial election soon? Laura Mulrooney's experiences in our communities as a mother, business owner, and dedicated community volunteer, have motivated her to put her name forward to be the next MLA for our area.

- **Small businesses make jobs:** Laura and her partner Didier owned and operated **Julien's Bakery** for over 30 years. Laura has formed lasting relationships with her customers, fellow small business owners and their employees, so understands their struggles in today's economy.
- **Cost of Living must improve:** Laura sees the lack of affordable housing, rocketing grocery prices, the scarcity of good jobs for young people and terrible cell coverage every day. She is a vendor at farmers markets, an elected Village of Chester Commissioner, and a dedicated volunteer who spends a lot of time talking to families about these concerns.
- **Healthcare is getting worse, not better:** Laura is laser focused on the need for improved health care. Since the last provincial election, the waitlist for primary health care has doubled, and the excessive wait times for ambulances puts lives at risk. As Vice-Chair of Our Health Centre (OHC), the largest health care facility in the area, Laura sees firsthand the suffering of families without good care.
- **We must protect our coastline:** Laura believes it is unfair to pass the responsibility for protecting our coastline to property owners and municipalities who do not have the resources to manage this complex issue. Laura will work tirelessly to have the Coastal Protection Act implemented.
