The New Ross Trails Society

We are excited to announce the opening of the new Healing Garden addition to Ruby's Trail.

Referred to as the "**Little Lady Healing Garden**", it is a secluded and naturally beautiful place where you can seek healing for your spirit, especially if you are grieving or experiencing some other type of loss or life challenge. There are soothing natural rock formations, amazing views, gardens, paths, benches and other features to promote healing. You may wish to make a call from the "**Wind Phone**" where an old fashioned telephone is located in a very private corner of the site where you can sit and talk to a loved one or someone else no longer with you. Wind phones are located all over the world and this one will be added to the registry map of locations. Ruby's Trail seems to be an appropriate place for all of this and you are welcome to attend the opening and tour of this very special place.

Thank you to WestFor, MODC District Council Grant & Community Members, your support makes this possible.

Opening details are as follows:

Time: Friday, June 26 at 10 AM

Parking: Park at Marty's and Wanda's at 180 Forties Road, New Ross and a 5 minute walk from there.

If you take the longer way and walk up from trail head behind credit union, leave more time and watch for signs.

Questions: Phone or text Marty at (902) 689 2025 anytime or Diane at (902) 599-3178

THANK YOU

I would like to express my deep gratitude for the outpouring of love and support shown to me, by this community and beyond, on the passing of my husband, **John.**

Thank you for all the cards, memorial donations, the hugs, the stories of John and all the food brought to the house.

So many thank you’s-- to Andrew from East Coast Memorial, Father John, the readers, Natalie, Melony and Linda, Colette, the organist, the choir, Glen and Lennie for the eulogy, Christ Church Guild for the lovely reception and Home Hardware for their honouring of John by closing for his funeral and providing parking for the family.

Special thanks to Melony for always checking with me about little details that I had probably forgotten.

It was all a great send off for John. I will miss him terribly, but know that he is in a better place, with no more sickness.

God Bless,
Marjorie

Update from Tina Connors Councillor – New Ross (District 6)

Budget 2026-2027: The budget for 2026-27 was approved at the April 23 Council Meeting. Careful consideration was given to the proposed budgets for all municipal departments, especially in terms of the magnitude of needs. The final budget reflects financial priorities for the upcoming fiscal year, as well priorities that align with our Strategic Plan.

The Operating Budget for 2026-27 is \$35,496,931 and the Capital Budget, \$65,782,507. Tax rates will remain the same, with residential at \$0.685 and commercial at \$1.50.

A few things to note:

- total taxable residential property assessments up 8.1%; total commercial property assessments up 0.7%;
- residential properties that fall under the Capped Assessment Program (CAP) in N.S. saw a taxable assessment increase of 2.6% or less [* the CAP does not apply to commercial properties nor does it apply to any improvements (made) to a 'capped' residential property];
- 75.4% of Chester Municipality residential property assessments increased by 2.6% or less.

A substantial portion of our annual budget includes 'mandatory or non-discretionary expenditures'. Mandatory contributions include provincial services, such as: RCMP & correctional services; education; library services; and more. For 2026-27 this amount equates to approximately 58.4% of our general tax rate.

All budget information is available to the public.

Business Façade Program: The Municipality has introduced a new funding support program open to businesses and not-for-profit organizations within identified community core areas. Program goals include: rejuvenation of commercial storefronts & encouragement of private capital investment; revitalization of our community cores; boost community pride & preserve a sense of local community character. Under the program, the Municipality will contribute up to 50% of approved, eligible costs to a maximum of \$5,000 per project. Customer-facing businesses/ not-for-profits and exterior improvements only, such as: signage; lighting; awnings; landscaping; etc.

For more information, including: program guidelines/ criteria; eligible area maps & projects; evaluation process, reach out to Brian Webb, Senior Economic Development Officer, by phone: 902-277-4239, or by email: ecodev@chester.ca.

In Case You Missed It: The seasonal placement of porta potties throughout the Municipality (15 in total), include 3 here in New Ross: Lions Park & Community Trail, Ruby's Trail, and the Fairgrounds.

On a final note, don't forget there is opportunity for public input at Council Meetings. This is scheduled as a regular agenda item at the start of each meeting. No need to call ahead... just show up!

See you soon,
Tina C.
